Trustees' report

Objectives and activities

The Trustees present their annual report and financial statements for Hub Community Foundation ('HCF') for the period ended 31st December 2021. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with HCF's constitution, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland.

HCF's Charitable Objectives, as established in its Constitution, are:

- the relief and prevention of poverty through relieving unemployment; and in particular by assisting in the provision of apprenticeships, training and/or work experience directed towards assisting people to access long-term employment;
- the advancement of education;
- the advancement of health;
- the provision of recreational facilities with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended; and
- the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage.

On its formation in December 2015, HCF was granted the rights (but not the obligation) to invest from 20% of the share capital and subordinated debt in new privately financed community infrastructure projects that form part of the hub programme.

Achievements and performance

During the year under review HCF, with support from Inspiring Scotland ("IS"), has continued to support the Charities selected to receive funding through HCF's Building Brighter Futures Fund ("BBFF").

Given the impact of COVID 19 on the third sector, the Trustees concluded that rather than embark on a new fund when the existing BBFF was due to expire (August 2021), there was merit in extending the existing BBFF assistance to the supported charities for a further period.

Accordingly, after discussion with IS, nine of the Charities were invited to make proposals for a 1 year funding extension. One Charity, CEIS Ayrshire, was not included in this exercise, although they still have access to ongoing advice from IS.

A further £472,546 was given to these Charities in the year, making a total of £2,043,487 to 31 December 2021.

During the first half of 2022, a further invitation was extended to the 9 supported charities to apply for additional funding through to 2024 to help them recover from the pandemic, where the need for support to areas aligned with BBFF's objectives will be greater than ever.

IS carried out a full analysis of the proposals which was presented to the Trustees. Following consideration, 8 of the 9 charities were offered additional support. Unfortunately, Station House Media Unit was unsuccessful in their application.

Trustees' report *(continued)*

Achievements and performance *(continued)*

Since the launch of BBFF 2,217 young people have benefitted from these funds, with 1,612 achieving accredited qualifications. There have also been 3,445 employability outcomes achieved, which include volunteering, training and reengagement with education. Given the impact of COVID 19 on the Charities' operations, these are, in the Trustees opinion, excellent achievements.

IS provides ongoing monitoring and support to each of the Charities and reports formally to the HCF Trustees on a quarterly basis on the performance of the Charities and the outcomes achieved.

In the 12 months to 31st December 2021, HCF has not invested in any new hub projects. However, the projects currently invested in still allow HCF to meet its objectives directly, as well as bringing the prospect of future dividends to allow further support towards these objectives. Charitable objectives are being met through the funding of the BBFF.

As at 31 December 2021, £950,000 in subordinated debt has been invested in 5 projects (between HCF and its subsidiary HCF Investments Ltd), thereby completing this strand of HCF's current investment strategy.

To date, capital and interest of £124,904 has been received on these Loans.

In the year under review, dividends of £134,968 were received from investments.

Financial review

HCF has posted a net loss of £131,247 for the year. Income generated from fees and interest earned was less than expenditure incurred and interest paid in the year. Included in the expenditure is £472,546 in donations to the BBFF.

Following the announcement in 2019 by the Scottish Government that no further revenue funded projects would be undertaken under the hub model, which meant that HCF would not benefit from this source of funds, the Trustees commenced an options analysis to determine the best way to meet its objectives. This is ongoing and the Trustees await a decision from the Scottish Government.

Current commitments under BBFF are well covered and through prudent management we expect HCF to continue to remain in good financial health, whilst meeting its key charitable objectives.

Risk management

HCF places great importance and priority on ensuring that all aspects of daily operations are conducted within its risk appetite and through the active monitoring and mitigation of key risks. Key risks identified and mitigating actions for these are as follows:

- Fraud. An appropriate division of responsibilities has been put in place towards the banking and accounting arrangements of HCF.
- The effect of COVID 19 on HCF's operations was significantly mitigated by the contractual arrangements in place with IS and Galliford Try Services (for accounting, secretarial and general administrative services) with both organisations establishing suitable contingency plans to allow services to be provided continuously.
- The Trustees continued to meet as required via conference call and virtual meetings.

Trustees' report *(continued)*

Plans for future periods

Following the year end, the impact of COVID 19 has continued to be substantial on the health and financial situation of the underlying communities that BBFF supports. Inspiring Scotland has been working with each of the Charities to provide extra support during this very difficult time and HCF made a modest additional donation to some of these charities to provide additional resilience.

The funding under BBFF referred to earlier expired.

Reserves policy

At the year end, the Group held £2,605,578 (2020: £2,932,846) of unrestricted funds that were not designated for other purposes. The reserves policy will be reviewed and refined regularly by the Trustees in light of investment performance. The Trustees reserves policy will hold a general fund for the purposes of granting the funds to eligible organisations. The reserves policy will also allow for a designated fund to be reserved, but not distributed, which will hold any changes in the value of investments.

Structure governance and management

HCF is a registered Scottish Charitable Incorporated Organisation ('SCIO'), charity number SC046192.

The board of Trustees has the ultimate decision-making powers and Trustees are recruited and appointed in line with the constitution. All Trustees receive an induction from the existing Trustees. If the individual has never served on a Board (or similar) before, appropriate training would also be undertaken.

The Charities and Trustee Investment (Scotland) Act 2005 bestows a duty on each Trustee, in exercising functions as a charity trustee, to act in the interests of the charity, and, in particular must:

- seek, in good faith, to ensure that the charity acts in a manner which is in accordance with its purposes;
- act with the care and diligence which it is reasonable to expect of a person who is managing the affairs of another person; and
- ensure that HCF complies with any direction, requirement, notice or duty.

Trustees' report *(continued)*

Trustees' responsibilities in relation to the financial statements

The Trustees are responsible for preparing a Trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the Trustees to prepare financial statements for each period which give a true and fair view of the state of affairs of the charity and the group and of the incoming resources and application of resources for that period. In preparing the financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable charities statement of recommended practice ("SORP");
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements and;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and the group and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended), and the provisions of the charity's Constitution. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approval

At the time of approving this report, the Trustees are aware of no relevant audit information of which the auditors are unaware and have taken all steps that they ought to have taken, as a Trustee, in order to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

Approved by the Trustees and signed on their behalf by:

Andrew Bruce - 2022-09-29, 14:02:09 UTC

Independent auditors' report to the trustees of Hub Community Foundation

Opinion

We have audited the Group and parent Charity financial statements of Hub Community Foundation for the year ended 31 December 2021 which comprise the Group and parent Charity Statement of Financial Activities, the Group and parent Charity Balance Sheet, the Group and parent Charity Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group and charity's affairs as at 31 December 2021 and of the group and parent charity's income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 and Regulation 6 and 8 and of the Charities Accounts (Scotland) Regulations 2006 (as amended).

Basis of opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group and parent charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions, that, individually or collectively, may cast significant doubt on the group or parent charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Trustees Report, other than the financial statements and our auditor's report thereon. The Trustees are responsible for the other information contained within the Trustees Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Independent auditors' report to the trustees of Hub Community Foundation

Opinion

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities and Trustees Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended) require us to report to you if, in our opinion:

- The information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- proper accounting records have not been kept, or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Trustees

As explained more fully in the Statement of Trustees' responsibilities the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the group and charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to cease operations or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Extent to which an audit is considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The specific procedures for this engagement and the extent to which these are capable of detecting irregularities, including fraud, is detailed below.

Because of the field in which the client operates, we identified the following areas as those most likely to have a material impact on the financial statements: UK charity legislation, specifically the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006, and the charities SORP (FRS 102). The following procedures were performed to provide reasonable assurance that the financial statements were free of material fraud or error:

- Enquiring with management about any known or suspected instances of non-compliance with laws and regulations, including fraud;
- Review of board minutes and legal fee expenditure;
- Challenging assumptions and judgements made by management in their significant accounting estimates including valuations of investments; and
- Auditing the risk of management override of controls, including through testing journal entries and other adjustments for appropriateness.

Owing to the inherent limitations of an audit, there is an unavoidable risk that some material misstatements in the financial statements may not be detected, even though the audit is properly planned and performed in accordance with the ISAs (UK). For instance, the further removed non-compliance is from the events and transactions reflected in the financial statements, the less likely the auditor is to become aware of it or to recognise the non-compliance.

Independent auditors' report to the trustees of Hub Community Foundation

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the trustees, as a body, in accordance with Section 44 (1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and Regulation 10 of the Charities Accounts (Scotland) Regulations 2006 (as amended). Our audit work has been undertaken so that we might state to the trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees as a body for our audit work, for this report, or for the opinions we have formed.

Notes to the accounts

1. Accounting policies

(a) Basis of preparation and assessment of going concern

The financial statements have been prepared on a historical cost basis and in accordance with the Statement of Recommended Practice FRS102 (SORP FRS102) – “Accounting and Reporting by Charities”, FRS 102 “The Financial Reporting Standard applicable in the UK and Republic of Ireland” and comply with the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006.

Hub Community Foundation is a Scottish Charitable Incorporated Organisation and constitutes a public benefit entity as defined by FRS 102.

The financial statements have been prepared in Sterling which is functional currency of the charity.

The group financial statements are consolidated on a line by line basis with the financial statements of HCF Investments Limited the wholly owned subsidiary.

The financial statements have been prepared on a going concern basis. The Trustees have considered relevant information, including the annual budget, forecast future cash flows and the impact of subsequent events in making their assessment. Based on these assessments and having regard to the resources available to the entity, the Trustees have concluded that there is no material uncertainty and that they can continue to adopt the going concern basis in preparing the annual report and accounts.

(b) Funds structure

Unrestricted funds comprise those funds which the Trustees are free to use for any purpose in furtherance of the charitable objects. These include designated funds where the Trustees, at their discretion, have created a fund for a specific purpose.

(c) Income recognition

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably. Interest receivable and similar income includes interest receivable on funds invested and interest is recognised using the effective interest method.

Dividend income relates to dividends received from investments the company holds shares in. Dividend income is recognised when the right to receive payment is established.

(d) Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis.

Interest payable and similar charges include interest payable on borrowings and associated ongoing financing fees.

(e) Grants payable

Through specific grant giving criteria, the charity provides support to a number of organisations. Grants payable to third parties are within the charitable objectives. Where unconditional grants are offered, this is accrued as soon as the recipient is notified of the grant, as this gives rise to a reasonable expectation that the recipient will receive the grants. Where grants are conditional relating to performance then the grant is only accrued when any unfulfilled conditions are outside the control of the charity.

Notes to the accounts *(continued)*

1. Accounting policies *(continued)*

(f) Fixed asset investments

Investments in subsidiaries are valued using the cost model. Investments in subordinated debt are valued at cost plus accrued capitalised interest less impairment.

Investments in associates are accounted for using the equity method. They are recognised initially in the balance sheet at the transaction price and subsequently adjusted through the statement of financial activities to reflect the group's share of total comprehensive income and equity of the associate, less any impairment. Losses in excess of the carrying amount of an investment in an associate are recorded as a provision only when the group has incurred legal or constructive obligations or has made payments on behalf of the associate.

(g) Cash and equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at bank and in hand. For the purpose of the cash flow statement, cash and cash equivalents consist of cash at bank and in hand.

(h) Debtors

Short term debtors are measured at transactional price less any impairment.

(i) Creditors

Short term creditors are measured at transactional price. Other financial liabilities, including loans, are measured at fair value, net of transaction costs, and are measured subsequently using the effective interest method.

(j) Financial instruments

The charity only has financial assets and financial liabilities of a type that qualify as basic financial instruments. Basic financial instruments are initially recognised at their transaction value and subsequently at their settlement value.

(k) Interest-bearing borrowings classified as basic financial instruments

Interest-bearing borrowings are recognised initially at the present value of future payments discounted at a market rate of interest. Subsequent to initial recognition, interest-bearing borrowings are stated at amortised cost using the effective interest method, less any impairment losses.

Notes to the accounts *(continued)*

1. Accounting policies *(continued)*

(i) Impairment

A financial asset not carried at fair value through income or expenditure is assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the asset's original effective interest rate. For financial instruments measured at cost less impairment an impairment is calculated as the difference between its carrying amount and the best estimate of the amount that the charity would receive for the asset if it were to be sold at the reporting date.

Interest on the impaired asset continues to be recognised through the unwinding of the discount. Impairment losses are recognised in income or expenditure. When a subsequent event causes the amount of impairment loss to decrease, the decrease in impairment loss is reversed income or expenditure.

The charity derecognises a financial asset when it expires or when the rights to the cash flows from the financial asset have been transferred and substantially all the risks and rewards of ownership of the financial asset have been transferred.

2. Employees

There were no employees in the current or prior year.

The Trustees give freely their time and expertise without any form of remuneration or other benefit in cash or kind. Travel expenses totaling £971 were reimbursed to one trustee in the year (2020; Nil). The charity had no employees and the trustees are considered the key management personnel.

Total group audit fees were £11,060 (2020: £10,757).

Grants payable to institutions represents amounts payable to Inspiring Scotland for onward distribution to beneficiaries. Further details can be found within the trustees report.

Term loans between HCF Investments Limited and GCP Asset Finance 1 Limited at the year end totalled £9,313,855 (2020: £9,390,674). These loans were secured by individual restricted asset floating charges over individual assets of HCF Investments Limited.

11. Related parties

HCF Investments Limited's Directors are the same individuals as the Trustees of Hub Community Foundation. HCF Investments Limited made donations of £12,071 (2020: £81,026) in the year to Hub Community Foundation. Hub Community Foundation purchased the share capital of £1 in HCF Investments Limited in 2017 and at the year end this amount was outstanding and included in creditors. £15,827 is due from HCF Investments Limited for the recharge of financial and secretarial fees (2020: £29,491).

12. Contingent Liabilities

The charity originally committed to provide grants totalling £1.3m to 10 charities over three years. This commitment has been fulfilled and a new agreement has been reached to provide a further £0.8m of grants. Specific grant payments are only committed to grantees once formal approval has been given on completion of individual quarterly performance reviews.
